Avoid the Construction!

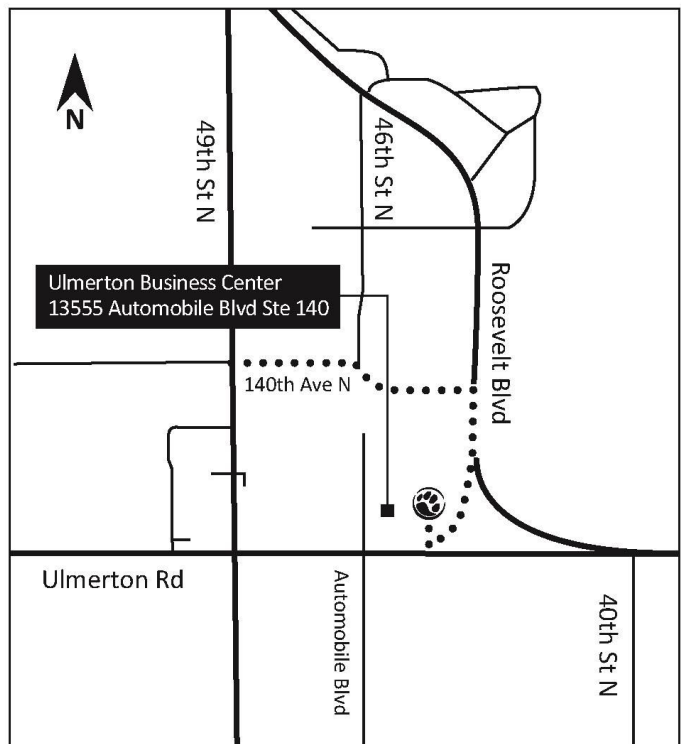

Detour directions to our hospital in Clearwater

We understand the construction on Ulmerton Road can make finding our Clearwater hospital challenging. Please consider using the detour outlined in dots on this map to make your drive easier and quicker. Dermatology, oncology and ophthalmology appointments are seen in Suite 130 of the Ulmerton Business Center, located directly west of the hospital.

If coming from the west, turn left (north) onto 49th street. **Turn right (east) onto 140th Ave N. Keep right where the road splits. Turn right at the stop sign onto Roosevelt Blvd. Keep right to turn back onto Ulmerton Rd. via a merge lane. You will see our building on your right before merging completely onto Ulmerton Rd.**

If coming from the east, you will drive past our hospital on the right side. Turn right at the first light past the hospital, which is 49th Street. Follow the directions in bold above.

If coming from the south on 49th Street, cross over Ulmerton Rd. and follow the directions above in bold.

Our staff is available 24/7 to help you should you have questions on how to avoid the construction when driving to our hospital. Call 727.572.0132 for assistance.
