

COVID-19 Euthanasia Protocol Skokie

Updated: Thursday, November 12th

- Upon arrival, please call the hospital from your car. Signs have been posted to instruct you.
- An Associate will instruct you to leave your pet inside one of the cages provided.
- Over the phone, an Associate will gather the appropriate information to get you checked in, including cremation options.
- During patient/client interactions, our Associates will use PPE (gown, gloves, mask). Clients are also required to wear a mask/face covering.
- Once the IV catheter is placed and the pet is waiting in the comfort room, our ER team will alert the front desk Associate to call you in.
- An Associate will call you and direct you to the comfort room to be with your pet. Please bring your own mask/face covering.
- All ashes and paw prints if requested, will be shipped directly from Metro Animal Services.
